That email went out to all Region 8 employees, so certainly sharing it within EPA should be fine.

Mindy is the information in this report publicly available?

I want to share with my senior managers in case they get questions on it at ITEP TLEF next week.

Subject: Gold King Mine Incident Update

On behalf of Shaun and Deb, I am sending out the 8/10 Gold King Mine incident update (attached), for your information. Please direct any questions you have to the EOC or your ARA, who can help direct you to the right person/department for answers.

Regards, Gina
